RECOMMENDED BY
MENSA MIND GAMES®

Fast, easy and suitable for a wide age range. We took this on a camping trip and it was a hit.

WordSpiel is the Game: Where the END...is just the BEGINNING!

Each turn, simply start your word with the last card played. Just like the name, *WordSpiel*, *Spiel* uses the **S** from *Word**S***. Each word spins off the last, so the game will never be the same twice!

Use the timer or take your time, just be sure to put your best word forward!
