

## WordSpiel Solitaire Instructions

### DEAL:

Deal two stacks of ten cards. Choose one stack to be the cards in your hand. You may look at these cards. The other stack will be your draw pile. The draw pile will be left in a stack facedown. Set the remainder of the deck to the side.

### GOAL:

To use all of your hand cards by making words.

### PLAY:

1. Start by flipping over the top card from the remainder of the deck.
2. Lay down cards from your hand to make a word that starts with the letter on the card you just flipped over.
3. Then add the top card from your draw pile to your hand.
4. Once you've added your new card, make another word that starts with the last letter(s) of your previous word.
5. As long as you still have cards in your hand, you must add the top card from the draw pile to your hand after every word you play.
6. There is no time limit and you can use a dictionary at any time.
7. If you can't make a word, you can either take the top card from your draw pile and add it to your hand or EXCHANGE CARDS.
8. If you take the last card from your draw pile, you have **one last chance** to make a word.
9. If you successfully use all of your hand cards to make words, you win!

### EXCHANGE CARDS:

At any time, you can exchange up to 3 cards from your hand with cards from the remainder of the deck. Keep the cards you exchanged in a separate pile to make sure you don't exchange more than 3 cards per game.
