## It's the game – Where the END...is just the BEGINNING!

WordSpiel is a simple yet dynamic card game that everyone enjoys. Use your words wisely and be the first to go out. Word size doesn't matter, but ending with a tricky letter can really challenge your opponents. Each word spins off the last, so the game will never be the same twice! The goal is to get rid of all 10 of your cards by making words. Each turn, simply start your word with the last card played. Just like the name, *WordSpiel*, *Spiel* uses the **S** from *Words*. Use the timer or take your time, just be sure to put your best word forward.

This *AmusinGame* is such a *GoodDeal* you will want to *GeTwo*!
